Eligibility of employers for traineeship incentives, and the amount of incentives available, will be assessed and determined by an Australian Apprenticeship Centre. Eligibility and incentives will vary depending on the characteristics of your employee, the training course chosen and successful completion of the course by your employee.

If eligible, Tuition Fees charged by the College for New Worker Traineeships will be paid by the State Government, subject to payment by the employer of a compulsory Enrolment Fee to the College (\$300 in ACT and \$404 pa in NSW). For some qualifications an additional fee may apply where the government funding is a partial funding.
