

**Australian College**  
of Commerce & Management

## CONTINUED PROFESSIONAL DEVELOPMENT (CPD)

Under the new licensing requirements for the Credit Industry there is a requirement to be involved in Continued Professional Development. The College has developed an annual program that will assist you to satisfy these requirements.

The college yearly program includes:

1. Access to an online Compliance Module with an online test that will confirm currency of knowledge of Compliance
2. Once an online test is conducted the College will issue a new statement of attainment for the Compliance module
3. Enrolment into one of seven modules of the Diploma of Credit Management. You choose the order in which you complete
4. Quarterly reporting showing progress that can be used as evidence of CPD
5. The cost of the program is a yearly cost of \$750
