

Australian College of Commerce & Management

Certificate IV Financial Services (Credit Management) FNS40110

Tailored for the Short Term Small Amount Lending Market

About this Qualification

We have tailored the program in consultation with your industry leaders in the NFSF, so that what you have is a program that you could use as foundation training for your existing people and new people entering your industry.

The program we are offering with the 6 modules of study which includes:

- Compliance with Legislation
- Advanced Securities
- Loan Approval Processes
- Initiate Recovery
- Resolve Disputes and
- Occupational Health & Safety.

The course covers all that is required in the right depth and it will recognize experience of current staff and challenge new employees to learn best practices in the industry.

Course Suitability

The job roles that may suit this course include:

- Responsible Managers
- Those who act as Responsible Managers in the absence of permanent
- Responsible Managers
- Loans Officers
- Credit Officers
- Collections Officers
- Credit Department Team Leaders

Enrolment Options

This qualification is available in some states as a Government funded Traineeship* (subject to eligibility in your state or territory). The possible funding available is \$4,000 per eligible trainee.

It is also available for individuals wanting to enrol on a fee for service basis. We will assist you in sourcing government funding, where available, to assist in paying for the course.

Course Duration

The qualification is timetabled to be completed in one year over a 36 week period, with students required to send assignments to the College at regular intervals. We are also offering a Recognition of Prior Learning process so that experienced learners can have their skills recognised as part of the course. Students can complete as early as they like – as they study at their own pace.

Course Delivery and College Trainers and Materials

We are offering 3 levels of resources: Hard copy workbooks, online materials and over the phone and email tuition to assure that everyone who is enrolled, completes the program provided that they are prepared to do the work required.

We will provide every client with a quarterly report showing the progress of all of their staff in the qualifications they are taking part in. Once again this is an excellent source of evidence for ASIC audit purposes.

We are offering access to a team of qualified financial services professionals who have worked for many years in the industry. They are permanently employed by the College which means that we are able to guarantee the service levels that we commit to.

To enquire about the next steps in enrolling please contact James Moran from the College on 1800111700 or email contact@austcollege.com.au

*Eligibility of employers to receive traineeship incentives and the amount of incentives available will be determined by an Australian Apprenticeship Centre.
